

SYLLABUS

Name of the course:	Emerging countries and the transition in the global economy							
Teachers:	Thibaud Deguilhem (Socioeconomist), Pascal Grouiez (Socioeconomist), Petia Koleva (Socioeconomist), Renaud Metereau (Socioeconomist)							
University / organisation:	Université de Paris / LADYSS							
Language of teaching:	English							
ECTS:	4							
Semester (S1, S2, S3 or S4):	<input type="checkbox"/>	S1	<input type="checkbox"/>	S2	<input checked="" type="checkbox"/>	S3	<input type="checkbox"/>	S4
Teaching method(s):	<input checked="" type="checkbox"/>	Lecture courses			<input type="checkbox"/>	Flipped classroom		
	Other:							
Type(s) of evaluation:	<input type="checkbox"/>	Sitting exam			<input checked="" type="checkbox"/>	Written report		
	<input type="checkbox"/>	Oral defence			<input type="checkbox"/>	Group project		
	Other / comments:							
Expected deadline(s) for the evaluation(s)	Homework to be delivered for end of January 2022							
Expected date of final results:	March 2022							
Summary of the content:	Emerging and developing countries have many distinctive features, particularly with regard to the forms of social organisation of labour and production. In this course, four researchers will offer you four different perspectives, drawn from their own research, on specific aspects, experiences and approaches to understand the socio-economics and political economy of labour and organisation in some particular contexts in developing countries.							
Indicative list of lectures:	<p>The course will be organised in four thematic sessions (2x3h for each session). Each session will be structured around the research of one of the academics involved in the course:</p> <p>Session 1. Organizations and labor relation strategies in the context of macroeconomic dependence in oil and gas: the case of agri-food and software industries in Russia Pascal GROUIEZ</p> <p>Session 2. Understanding Corporate social responsibility (CSR) in emerging countries: actors and processes Petia KOLEVA</p> <p>Session 3. Revisiting labour markets in Latin America: What is a good job and how to get it? Quality of employment and relational embeddedness in Colombia Thibaud DEGUILHEM</p> <p>Session 4. Cooperativism, peasant organizations and rural development in Central America Renaud METEREAU</p>
